Ordering Suggestion

In order to offer you a good balance within your menu mix both in terms of colour and variety, It is recommended that customers choices should include at least two options from list one against every selected option in list two.

Please remember that if you require a special menu tailoring for a specific function or dietary requirement that we will be happy to create this for you based upon a fixed budget. Please contact the catering office for more details.

Please check with your guests as to any specific food allergies which we can cater for with prior notice

Please note that when catering for 10 or less, items on the menu may be substituted for alternatives of an equivalent value

All external bookings will be subject to VAT at the standard rate

Some of our food may contain ingredients from Genetically Modified Soya and or Maize. Please ask the Catering Office for details when placing your booking

For enquiries or to make a booking please contact extension **4262 or email catering@aston.ac.uk**
